

## Scheduler Marks

- Store all Learners and Teachers **personal information**.
- Maintain and update **ANA** and **LURITS** info timeously.
- **Absenteeism** and **Leave** monitoring
- Capture and store all learner **Assessment**, **ANA** and **Exam** marks.
- Auto-accumulate all assessments toward the **Year Mark** using your pre-set formula.
- Produce all **Department of Basic Education** required reports.
- Produce **Schedules** and learner **Progress Report Cards** with watermark.
- Use **Spread sheet** to import marks from teachers.
- Issues **Verdict** on Pass, Fail or Condoned results
- Auto-allocate Result **Comments/Remarks** (English or Afrikaans) as per learner performance
- Produce **breakdown** analytical performance report for the school.
- **Import** and **Export** information to/from SAMS.

## Scheduler Timetable

- **User friendly** with step by step user manual and online Help.
- **Split** Combinations – To cater for different complex split combination.
- Will even help you to **determine** which subjects should form a **split** per grade.
- **Easy to use** - Just add your school information and leave the rest to the computer.
- It allows the same school to have **different periods** for different days/classes.
- **Different minutes** (duration) for different periods.
- You can **allocate minutes** to subjects and periods, and then Scheduler draws a timetable accordingly.
- It produces **unique timetable** every time you generate. Same school settings different timetables.
- **Network enabled**. You can store database in your network and share it with other computers.
- It handles your **part-time** (temporal) teaching staff.
- Print or **Export** to **Excel**, **Word** or **pdf**.
- Subjects are **evenly distributed** per cycle to ensure continuity.
- **Override** periods. Lock or reserve periods for a teacher, subject or other school activities.
- **Swap** periods around. Copy and paste subjects from one slot to another.
- **Substitute** teacher period-by-period without drawing a new timetable.
- **Relief** Table - saves you time each day to organise substitutes for absent colleagues.
- Help you analyse the percentage **workload** per teacher.

## Scheduler Library

- Maintain and manage the school **Books suppliers** and ordering.
- Books **issuing and Returns** management. Keeps records of every learner issued with books and their conditions.
- **Composite Learner list** per Class/Grade with all books issued, showing those with or without books
- School **Books Stock** indicating the number of books against the number of learners per Grade and per subject.

## Scheduler Finance

- A **Journal** or records of transactions in which all cash receipts and payments (including bank deposits and withdrawals) are recorded.
- Keeps **Cash disbursement journal** in which all cash payments (such as accounts payable, operating expenses, petty cash purchases) are recorded.
- Keeps **Cash receipts journal** in which all cash receipts (such as accounts receivable, school fees) are recorded.
- Generate **financial statements** and **general ledger** reporting.
- This **Cash book** should regularly be reconciled with the bank statements as an internal auditing measure.
- Manage and monitor **School Fees, Donations, Vendor fees, School's Building rent-outs** payments.
